

Fifth Annual Wichita Aero Club

GOLF CLASSIC

A male golfer is captured in the middle of a golf swing, viewed from a low angle. He is wearing a bright orange polo shirt, a blue and white striped polo shirt, light blue trousers, a brown belt, a white cap, and sunglasses. He is holding a golf club, likely a driver, which is extended across the top of the frame. The background is a bright blue sky filled with scattered white clouds.

Fifth Annual Golf Classic

In conjunction with the PGA Web.com Air Capital Classic, the Wichita Aero Club is pleased to host its fifth annual Golf Classic.

An annual event which supports the Wichita Aero Club's scholarships and education initiatives, the Wichita Aero Club Golf Classic provides you the opportunity to play on the same pristinely manicured course at Crestview Country Club that the PGA TOUR pros will play on the following week during the Web.com Air Capital Classic.

Armed with a new Nike golf shirt and cap and a box lunch, you will be ready for a fun day on the course. Tournament play will begin promptly on June 15th at 12:30 p.m. with a shotgun start in scramble format.

The WAC Golf Classic is always fun and it might also be rewarding. Players compete in longest putt, longest drive and closest-to-the-pin contests and also have a chance to win a new car with a hole-in-one!

19 Holes of Fun and Networking

The 7th and 17th Holes will be special stops for additional fun with margarita stands for an icy cold drink and a visit with fellow golfers.

Following the conclusion of the days rounds, golfers enjoy the 19th Hole Awards Reception, which will feature delicious barbecue and the presentation of trophies for 1st, 2nd and 3rd place winners.

Join us as we feature Web.com touring pros in the annual closest-to-the-pin shootout. The winner receives a valuable prize and the Wichita Aero Club gains additional proceeds to underwrite the Wichita Aero Club's scholarships.

Additionally, the 2014 recipient of the Wichita Aero Club's Edward W. Stimpson scholarship will be presented.

The Air Capital Classic Supports Charitable Organizations

The PGA TOUR, which oversees the Web.com tour and controls the Air Capital Classic event and all of the Web.com tour stops, incorporates a strong charitable component into each of its events. Prominent PGA TOUR tournaments such as the U.S. OPEN, the Masters, and the PGA Championship donate significant funds to local and national charities as part of their annual activities. Now in its 25th year, the Air Capital Classic has a consistent history of supporting local organizations. New and different charities are added each year. In all, during its years in Wichita, the event has contributed well over \$1 million to local charities. Many of these charities are golf-oriented and most relate to youth organizations and activities.

Wichita Aero Club Aviation Related Educational Initiatives

The Wichita Aero Club was founded with a commitment to foster and promote aviation education. That dedication includes the support of aviation-related training and career development, and offering scholarships and financial assistance to aviation-related institutions and students.

Proceeds from yearly Trophy Gala and Golf Classic events have allowed the Wichita Aero Club to establish a scholarship fund. Currently, the Wichita Aero Club and Wichita Community Foundation collaborate on the awarding of two scholarships: the Edward W. Stimpson Scholarship and the Dean Humphrey Scholarship. Both awards are designed for collegiate or technical school students who have already established an aviation-related major or career path. Both grants provide \$2,000 each. While the Stimpson scholarship targets students who may wish to pursue engineering or flight related careers, the Humphrey scholarship is designed to underwrite the educational pursuits of students who are seeking a career in administration, communication or non-technical disciplines at aviation-related businesses.

The Wichita Aero Club intends to increase the frequency and amount of these scholarships as funding permits. A recent gift of \$10,000 from BBA/Signature Flight Support gave a much-appreciated boost to the Club's scholarship initiatives.

If your organization is interested in contributing to the club's scholarship initiatives, please contact the Wichita Aero Club by phone at 316.681.4491 or 316.681.4471 or by email at WACinfo@wichitaeroclub.org.
