On-Air Summit

Our premier business event, the WAC's annual ON-AIR SUMMIT brings together a panel of industry leaders to discuss critical topics.

Networking Mingles

These periodic events provide exclusive opportunities for members to foster and strengthen professional relationships.

WAC Trophy Gala

An annual evening of celebration where members come together to honor an individual or organization with a strong relationship to the greater Wichita area who has earned distinction through exemplary achievement in aviation or aerospace.

PGA TOUR Web.com Air Capital Golf Classic

Each year the Wichita Aero Club teams with the organizers of the PGA TOUR's Web.com event in Wichita to provide an exceptional golf experience. Played on the same course and under the same conditions the professionals will face during the annual AIR CAPITAL CLASSIC at Crestview Country Club, the WAC Golf Classic is scheduled on the Sunday prior to the pro tournament. It offers a variety of sponsorship opportunities and provides a unique "Play Like The Pros" atmosphere. The event generates funds for the Wichita Aero Club's education initiatives, including its scholarship programs and includes a pre-round lunch and post-play awards ceremony and barbecue, attractive prizes and a unique and entertaining shot-making competition among Web.com touring professionals. Among Wichita's premier golf events, the Wichita Aero Club Golf Classic has a limited field that fills up rapidly. Information on foursomes and sponsorships are available online at www.wichitaeroclub.org.
